

About HWSH

Hui-Wen High School is the first six-year comprehensive public high school located along the central developed axis of Taichung New City Hall in the Taichung 7th Renewal Area, central Taiwan. To meet the high demand of school districts, *Hui-Wen High School* was established in 2001. It has fulfilled the goal for students to attend neighboring schools, particularly for those in the Nantun District.

International Education is the core value of *Hui-Wen High School*. To fulfill the purpose of placing Regional International High Schools, *Hui-Wen High School's* Global Mobility Center offers overseas studies consultation and TOEFL test preparation courses at various levels. The Center also implements four elective courses in foreign languages in German, Japanese, French and Spanish, as well as applied language curriculum. This includes Teen Diplomatic Envoys and Model United Nations (MUN).

In 2017 and 2018, *Hui-Wen High School* was officially accredited through two recognized accreditation associations : the golden medal of University College London and the global partner of PASCH. *Hui-Wen High School* was both the sixth accredited global partner of PASCH school and the only one that was certified in 2018 throughout the country of Taiwan

(three in the Northern district and two in the Southern district). *Hui-Wen High School* is honored to be the only accredited school in Central Taiwan. As a result, both teachers and students at *Hui-Wen High School* are privileged to access official teaching resources with no charge, scholarship opportunities, winter/summer camps and other instructional resources from Germany.

An International Education Pilot program was launched in 2019, which aims to promote experimental education based on international perspectives. It places great importance upon the social responsibility of public schools to support minorities by providing equal opportunity to pursue their dreams of overseas career development.

Hui-Wen High School has the most up-to-date facilities, including technology integration in classroom teaching and administration. *Hui-Wen High School* is also a gathering place for outdoor activities and more than 60 extra-curricular clubs for students to participate in. *Hui-Wen High School* embraces the diverse learning opportunities accompanied by the technology and Fine Arts, and wishes for students to have a memorable experience at *Hui-Wen High School*.
